CLASS DESCRIPTIONS:

LIFT LIFT LIFT Does exactly what it says on the tin. Weights based.

Booty Blast If you're looking to strengthen and grow those glutes, then BOOTY BLAST will guarantee results that you and your friends desire!

STRETCH When you just need to be stretched out because you have been working too hard in the gym. STRETCH will solve those problems so you can get back to popping squats!

Core & Cardio Blood, sweat and tears is the best way to make abs pop and muscles grow. Try it if you dare.

Cooore Cooore is a great class if you're experiencing back pains or shy abs. The class will strengthen your core and lower back.

Know weights Learn how to work each muscle group safely and effectively with a mixture of heavy and light weights. Suitable for all.

Zumba A Latin inspired dance workout that uses music and choreographed steps to form a fitness party atmosphere. Classes can also contain everything from jazz to African beats to country to hip-hop and pop.

HIIT A training technique in which you give all out 100% effort through quick, intense bursts of exercise followed by short, sometimes active recovery periods.

Hatha Vinyasa Flow Yoga Movements are synchronized to the breath and different poses run together smoothly and become like a dance.

Spartacus For anyone looking to get lean, toned and fit. Using light to moderate weights with lots of repetition, Spartacus gives you a total body workout. Burn those calories!!

Lean Xtreme Total body conditioning, interval based workout. Muscular strength and endurance with a cardio impact. Rapid fat burning results in the ultimate toned holistic resistance workout!

Boot Camp The ultimate tyre lifting (literally!) workout that combines cardio with resistance to maximise results quickly. Outside no matter what the weather!

Abs & Ab's Sculpt Tone and flatten your stomach and lose some inches from around the waist line. Perfect for back injuries. Build your core strength and improve your posture.

Circuits A form of body conditioning and resistance training using high-intensity aerobics. It targets strength building and muscular endurance. Increase your metabolism and boost your fitness levels.

YouthFit Class Gym based fitness class taken by a Personal Trainer. Aged from 11 to 15 years. A compulsory £5 induction must be completed before attending the class. £3 per class thereafter. Youths do not need to be accompanied by a parent/guardian during this class.

Indoor Cycling A tough, heart pumping workout on a stationary bike. You will climb and sprint through each motivating track with the aid of our instructors, to push you to your limits, and beyond.

LBT Tone those areas we love to hate: legs, bums & tums and learn a new variety of exercises.

BoxFit Boxing related training is proven as one of the best fitness, toning and calorie burning classes around. Our highly skilled trainers will boost your workout and take your training to the next level.

Cardio Blast Interval training on the cardio vascular equipment to aid in improving your performance whether it's for walking, running, cycling, rowing or even cross country sports.

CRT Circuit Cardio Resistance Training is a gym based class that alternates intermediate cardio and strength training exercises for a full-body workout.

Running Club A mixture of running, sprints and interval training. Suitable for all abilities. Give it a go.
